SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. §§ 1.97-1.99, Applicants hereby submit the enclosed PTO Form 1449. Copies of the non-U.S. patent publications and non-patent publication (1 reference) are enclosed. This Information Disclosure Statement is in compliance with the continuing duty of candor as set forth in 37 C.F.R. § 1.56.

In the judgment of the undersigned, portions of the listed references may be material to the Examiner's consideration of the presently pending claims. However, the references have not been reviewed in sufficient detail to make any other representation and, in particular, no representation is intended as to the relative importance of any portion of the references. This statement is not a representation that the listed references have effective dates early enough to be "prior art" within the meaning of 35 U.S.C. § 102 or § 103.

No fee is believed to be due for the filing of this Information Disclosure Statement since it is being filed before the mailing of a First Office Action.

Each item of information contained in the Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. A copy of the International Search Report received in a counterpart foreign application is also enclosed.

German Patent No. DE 2607613 is believed to be relevant to the extent that it shows an article of swimwear with a rubber strip.

Please apply any charges or credits to Deposit Account No. 19-0733.

Respectfully submitted,
